

2022-2023 White Oak Grill Menu

Thank you for visiting the White Oak Grill, we're glad you're here!

Order your beverages from the bartender when you arrive or at your convenience. You can order your food online using the QR Code on your table if you are dining in. Or you can ask the bartender to take your order. If it is very busy, you may want to consider ordering your food online and the chef will tell you when your food will be ready. Simple and very customer friendly. If you want to order your food in advance, simply go to:

<https://eat.chownow.com/order/33846/locations/50800>

See the special Veggie and Soup of the week. Tell us how many you are ordering for and where you will be dining in or if the order is a pickup to go. All orders are marked "Pick Up" but, you will tell us where you are eating during the process of ordering online. Don't let "Pick Up" fool you.
